

Pop-Up Show Benefits

Ptarmigan Arts' pop-up shows offer an opportunity for established artists looking for additional or alternative sales venues, as well as for up-and-coming artists who are looking to start selling their work.

Ptarmigan Arts is conveniently located in downtown Homer. Our parking area is off-street, which makes loading and unloading show items safe and easy.

Our pop-up show space is located within our spacious Back Room Gallery, with high ceilings and good lighting.

One of our member artists will meet you at the gallery and help you with your show set-up.

We will use digital images of your choosing to publicize your show in the local Homer News paper, on the radio, through other community art organizations, and on social media.
